MEMORANDUM FOR THE FILES

The voting slip which heretofore has said under 1c "Disapproved. Request meeting of IAC to consider paper" is being changed to read merely "Approved," because (1) NSCID 1, paragraph 3a states how nonconcurrences within the National Military Establishment should be handled; (2) DCI 1/1, paragraph 6 provides two alternatives for handling nonconcurrences, i.e., paper goes back to the Standing Committee for reconciliation or to the next formal meeting of the IAC for appropriate action; and (3) DCI 1/1, paragraph 7 provides for submitting a proposal to the IAC when there is disagreement within the Standing Committee.
